1. On 11 November 1963 after reviewing subject audit a meeting was held in AED/P's office which was attended by DD/S, General Counsel, Chief/TSD, Chief/Support/TSD and chaired by ADD/P. 2. As a result of this meeting, Colonel White, DD/S, delegated the contract termination responsibility to the Director of Logistics. The final contract negotiation has been completed, however, the final reports have not been submitted and we have been advised that the net settlement figure for the entire negotiation and settlement as adjusted by the negotiator was \$20,660.63. The only unresolved item in this negotiation is the equipment.

3. During the termination negotiations [REDACTED] offered \$2500 for specific furniture and equipment that were either furnished by this Agency or purchased with Agency funds. The negotiator took the position that he was not technically qualified to either accept or reject this offer without further guidance from Headquarters. A meeting was held on 10 February with
